Our Favourite Things To Do At Halloween

By Miss Alex, Miss Jennifer, Miss Elaine and Mr Adam

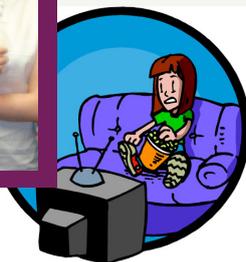

Miss Elaine

On Halloween, I like to go to a Halloween party to eat some scary food. We can eat hotdogs that look like fingers or apples and strawberries that look like monsters. The food looks scary and funny but it still tastes delicious!

Mr Adam

My favourite thing to do at Halloween is to go to a costume party and dress up. I like to dress up as a pirate, make silly faces and look for candy! I like to see everyone in their costumes.

Miss Alex

My favourite thing about Halloween is watching scary movies with my friends. We like to eat lots of snacks whilst we watch the movie and if we feel very scared, we tell each other jokes to feel better!

Miss Jennifer

What I like about Halloween are the cool and funny decorations around, the sweet and delicious treats especially the yummy chocolates which are my favourite! I also enjoy looking at the cute and beautiful costumes that the children wear!

Spooky Halloween Riddles

1.

If you see one flying around,
you better be careful at night!
As some turn into vampires,
and give your neck a big bite!

What are they?

2.

What do you call a skeleton
that makes you laugh and
giggle when you're sad?

3.

This person is old, has a
white beard, performs
magic but is forgotten
on Halloween.

Who is it?

4.

This place has hardly any lights,
but a lot of creaking floors.
There are all kinds of strange noises,
and some random slamming doors.

What is it?

1. Bats. 2. Funny Bones. 3. Santa Clause. 4. A Haunted House.
