ALPACAS

PINEAPPLE BUN

If you're looking to feed animals, see pineapple-themed decorations and snacks or take fun pictures with your family and friends, you should visit the Go Green Organic Farm in Kam Sheung Road.

Here, you can feed carrots to alpacas and get many souvenirs shaped like them, too! There are also many craft workshops: from making your own keychains, pineapple cakes to learning how to plant your own organic vegetables.

One of my favourite parts of the farm experience is eating the pineapple bun and ice-cream snack made of the pineapples grown in the farm. I hope you can visit it this summer!

SUMMER IDEA #6:

Want a refreshing and cooling activity this summer? Visit the Water World in Ocean Park!

This is a huge swimming pool park with thrilling roller coaster-like rides but in the water! There are many rides you can do by yourself or with a group of friends.

You can ride a rainbow slide, be on an inflatable boat with your family and spin around a huge pool or practice your surfing skills on a surfboard and more at the park.
