## BOOKS

## Miss Sandy

I love reading books in my spare time. My favourite book is **Flat Stanley**. The author of the book is **Jeff Brown**. I enjoy reading this book very much because it is really funny. It is about a boy called Stanley. One day, **a big bulletin board falls on him and he becomes flat**. When he is flat, he does many amazing things.

My favourite part is when he travels to another country in an envelope! I want to do that too! The book is **filled with wonderful adventures**. Everyone should read this book for a good laugh and think about being flat. What would you do if you were flat?

## Miss Alex

I think reading is so much fun. It can take you to a whole new world! I like reading at home or on the MTR. My favourite book is **I Want My Hat Back** by **Jon Klassen**. This is a children's book, but I love it because it is very interesting and **the illustrations are beautiful!** It is about **a bear who has lost his hat**. He asks a lot of different animals to try and find it. Do you think he will find his hat?

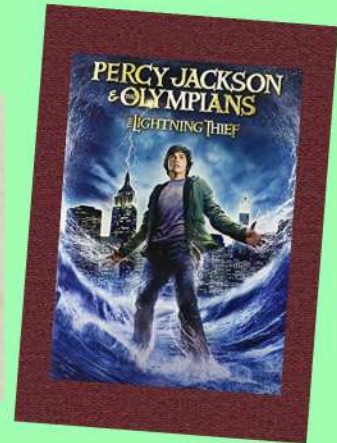

My favourite animal is the bear because it helps a turtle get up onto a rock in the story. It reminds me to be helpful to others too. I think that you should read this book because it is easy to read and it will make you laugh. What's your favourite book?

## Miss Catherine

Reading is good for me because it improves my focus, memory, empathy and communication skills. My favourite book is **Percy Jackson and the Olympians: The Lightning Thief** written by Rick Riordan. This book is about **Percy Jackson** has supernatural powers.

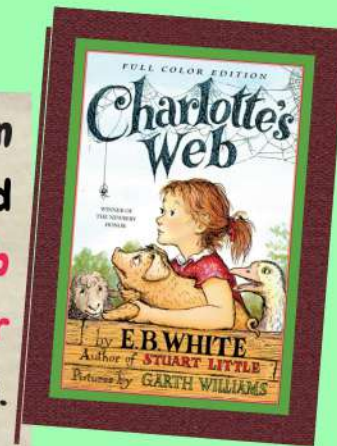

The coolest part is that the characters' powers and monsters are based on **Greek Myths** such as Medusa. Her head is full of snakes! If you want to learn more about Greek Mythology, you can read the rest of the four books in this fantasy and adventure series.

## Miss Elaine

Reading is one of my favourite hobbies! I read different books on the train every morning. It is a relaxing way to start the day and now it is a part of my daily routine. I love the book **Charlotte's Web** by **E.B. White**. This book is about a pig called **Wilbur** and a spider called **Charlotte**. They live on a farm together with other animals. They can all talk when there are no humans around.

Wilbur is in trouble because people want to buy him and take him from the farm. Charlotte uses her spider web to write special messages to help him. If you like animals and stories about friendship, I think you should read this book!.
