THINGS WE ARE THANKFUL FOR

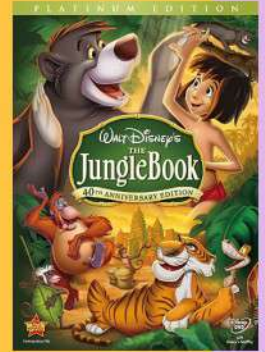

friends

MISS SANDY

Do you say thank you when someone is kind to you? It is important to say thank you and be thankful for everything we have. I am thankful for friendship. I have many kind friends. When I am upset, my friends will cheer me up. When I am happy, my friends will celebrate with me.

I am also thankful for music. There are different kinds of music. The songs that really make me happy are "Bare Necessities" and "Baby Shark". Listen to them and you will smile.

MISS ALEX

Every morning I write a list of three things that I am thankful for. I like doing it because it helps me start the day in a good mood! I always write about how I am grateful for my friends and family. Talking to them always makes me happy because they are so funny. They also listen to me when I feel sad which helps me feel better.

I am thankful to have the technology to video call my friends and family in Ireland. I am happy that I have an easy way to see and talk to them. What are you thankful for?

Can you find me?

MISS CATHERINE

It is important for us to think about what we are thankful for. The first thing that comes to mind is my family. I have a big family, so I am never lonely! I am thankful for my parents for their hard work, love and care for my two brothers and me. Whenever I feel sad, I think of my family and all my strength returns!

I am also thankful for meeting kind-hearted and supportive teachers and students here in Shi Wan Family. Let's all think of things we are grateful for!

MISS ELAINE

Ruby + Me

Gratitude means giving thanks for the things that make us happy. There is so much to be thankful for! I am thankful for my dog, Ruby. Ruby makes me happy because she is so cute and playful. She also keeps me healthy because I need to walk her outside every day. Ruby is twelve years old, so we walk slowly and take time to appreciate everything around us!

I am also grateful for the beautiful spring weather in Hong Kong. I love to see the blooming flowers everywhere! It is not too hot and we can go to the beach to enjoy the sunshine.
