Japan is really a wonderful country! I visited **Osaka and Tokyo** four years ago. I visited the "**Osaka Castle**", the **cherry blossoms** were so beautiful. Osaka is a quiet and traditional city. Tokyo is a city with many tall shopping malls.

I love visiting the **shopping area** in Tokyo. I enjoy buying **souvenirs** there. In Japan, you can bow and say "**Konnichiwa!**" to say "hello" when you greet others. You can say "**Arigato Gozaimasu**" to say "thank you" when you visit Japan.

MISS ALEX

My favourite country to travel is the **The United States of America**. There is a city there called **San Francisco**. It is very sunny and warm. My favourite place to visit was the **Golden Gate Bridge**. The bridge is **huge** and **beautiful!** I am very lucky because my mum's cousin lives there.

We went hiking up a mountain called '**Mount Diablo**'. I was so happy to see many beautiful views there. My uncle lives in San Francisco. He lives in a beautiful house in the **countryside** with his friendly dog called **Aspen**. I had so much fun visiting San Francisco. Do you want to visit too?

MISS ELAINE

My favourite country to travel is **France**! **Paris** is the capital city of France. I love visiting **Eiffel Tower**. Many people travel to Paris to see it every year. In France, the food is so **delicious**! You can eat **a lot of cheese, meat and bread**. You can also eat '**crêpes**' which are very **thin pancakes**. They are very sweet.

I love to visit France because I can speak **French**. In Canada, we learn English and French at school. To say **hello**, you may say '**Bonjour!**' If you want to say **thank you**, you may say '**Merci!**' Would you like to visit France one day?

MISS SANDY

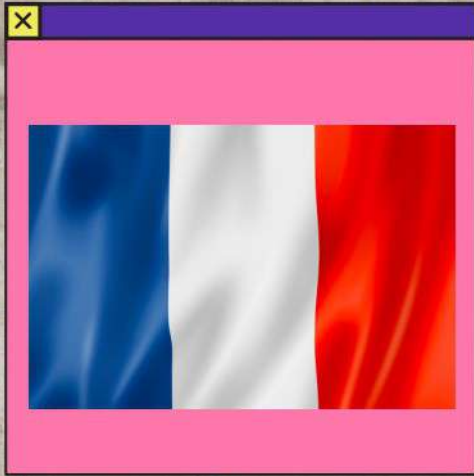

I really love travelling. My favourite trip was to **Siem Reap, Cambodia**. I went to see two famous temples. The first one was called **Angkor Wat**. I went there twice. The second time I woke up at four o'clock in the morning to take pictures of the sunrise. It was **awesome**.

Then I went to the **Bayon Temple**. The temple has **more than two hundred and sixteen smiling stone faces**. This is a **buddhist temple**. When you go to any temple, you start to feel **calm** and **joyful**. What country do you want to visit?
