A pet is an animal that lives in your home. A pet can be a dog, cat, fish, bird or any other animals that you can take care of.

Mr. William

This is my dog Barney. He is black and he is 4 years old. Barney loves to play with his toys!

Barney loves to sit in the car when we go for a drive. He is a very good boy!

Barney loves to run around outside. He picks up big sticks in his mouth!

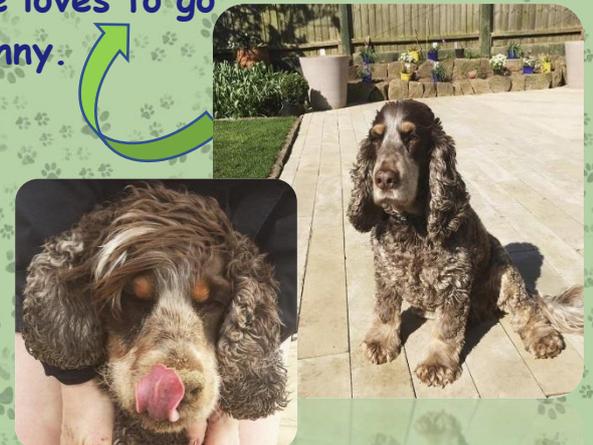

Barney loves to take a bath outside in the garden. He gets very dirty because he loves to run outside, so we must wash him every week!

Miss Greta

Rusty is an important part of my family. Look at me and my cousin with Rusty at Christmas!

This is my dog Rusty! She is brown and white. She loves to go outside when it is sunny.

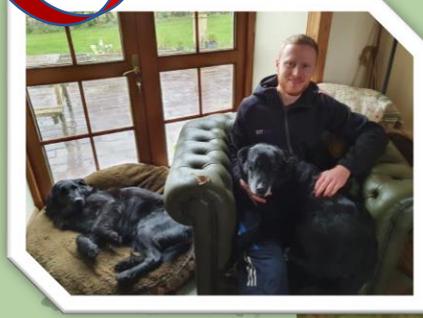

Rusty loves to go to the beach. This is a photo of her with sand on her face. She looks so funny!

Mr. Duncan

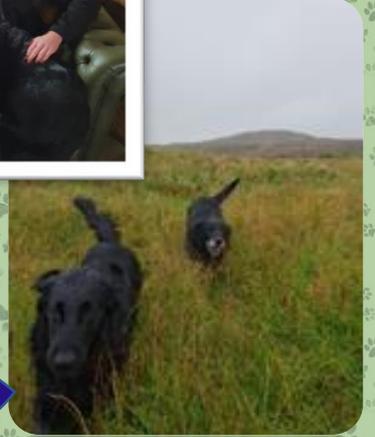

These are my dogs Ruby and Bramble. Ruby is 10 years old and Bramble is 7 years old.

Every morning they sit on their chairs and wait for me to go for a walk.

Ruby and Bramble love to go for a walk in the afternoon. They love to run around. When it is raining, they get very wet, but they are still happy!

These are my cats, Ham and Cheese. They are both 3 years old.

They are very lazy. They love to sleep all day!

My dogs and cats are friends. Sometimes they like to play together.
