My Favourite in my house

By Mr. Duncan, Miss Greta and Mr. William

Miss Greta

My favourite place in my house is the garden! I love being outside in the sun, especially with my dog, she loves the garden too!

Sometimes I sit with my grandad in the garden. Here is a picture of my grandad in the garden!

Sometimes I play football in the garden with my family! It is very important to do some exercise every day. Do you like playing football?

Mr. William

I also like the kitchen because there is the refrigerator where we keep all the tasty food!

My favourite place in the house is the kitchen! I like this room because it is the warmest room in the house.

We also have a couch in the kitchen so we can relax and watch TV.

Mr. Duncan

My favourite place in my house is the kitchen! It is a very old kitchen. It is nearly 500 years old!

I also like the kitchen because it is where me and my family make delicious food. Sometimes, our friends make food for us! Do you know what food is being made in the pictures?

I like the kitchen because it is where people come together and talk! Here is a picture of me when I was younger. My friends came over and we sat in the kitchen together to talk and eat!

I also like the kitchen because it isn't just for humans! Our cats and dogs sometimes join us! Even the horses say 'hello' at the window.
