Miss Greta

My favourite book is 'The BFG' by Roald Dahl!
It is a made-up story, so it is fiction.

The title BFG means Big Friendly Giant,
because that is the main character in the story!
A giant is a very big person! Much much bigger
than your teachers or parents!

The story is about a little girl who meets a Big
Friendly Giant! They have an amazing adventure
and it is very funny! There are some scary
giants but it is very exciting!

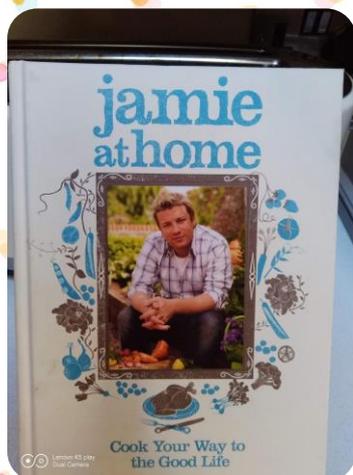

My favourite part is the happy ending!

Mr. William

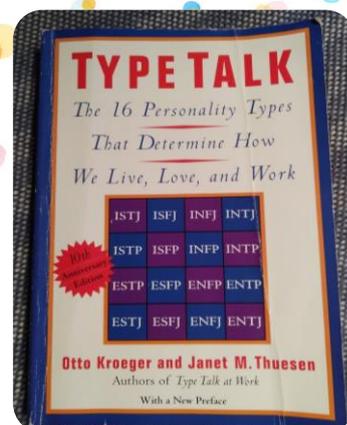

I like to read books; however, I like to read books which are
helpful! I like to read cooking books because I can learn about
new things to cook!

This is a book by a famous English chef called Jamie! It is a
nonfiction book, because it is about real people and things.

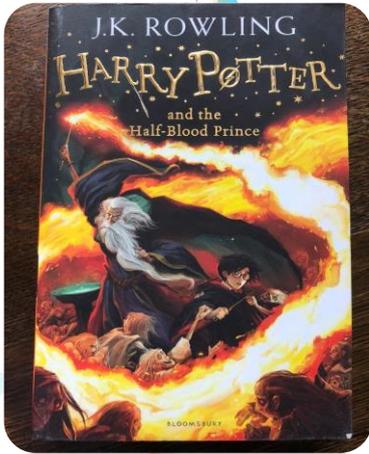

happy

This is the book I am reading at the moment. This book
teaches us how to be happy! It is a great book to help us
feel good about ourselves. This book is also nonfiction.

Mr. Duncan

Harry Potter

My two favourite books are called 'Harry Potter' by J.K. Rowling, and 'The Alchemist' by Paulo Coelho.

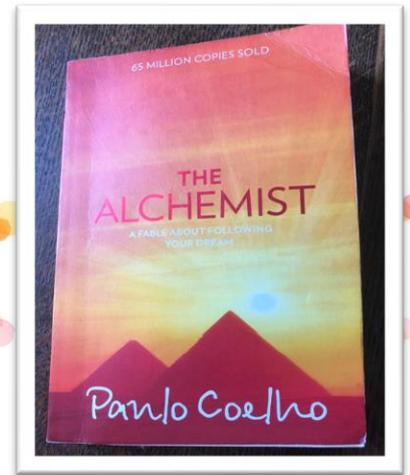

'Harry Potter' is my favourite story. When I was a child, I read 'Harry Potter' all the time! The story is about a boy wizard who goes to a magic school. He learns how to use magic and he rides a broomstick! I think it is a very exciting book! Would you like to read Harry Potter?

'Harry Potter' is a made-up story, so it is a fiction book.

'The Alchemist' is a fable. That means that it is a short story with an important lesson in it. It is also a fiction. I like it because it helps me to be happy.

The lesson in the book is that we should live in the present because it helps us to be happy. Meditation is a good way to practice being present!

Another lesson is that we should be brave and go for our dreams!
