

English Experience Day

Our English Experience Day has just finished on 4th April as a great success! Like last year, we transformed parts of our campus into different scenes for students to role play authentic English conversations. In addition to a clinic, a cinema, a sweet shop and a stationery shop, we added an airport, a cafe and convenience stores for students to experience as well. This allowed students to do things using authentic English conversations, such as buying a plane ticket in the airport, watching a film in the cinema or seeing a doctor to describe an illness. Each of our English Ambassadors. Wore costumes and acted different roles to provide students a realistic experience through their English exchanges. This let the English Experience Day become both fun and educational!

式宏家於 4 月 4 日舉辦的英語體驗日活動經已圓滿成功！跟去年一樣，我們把校園佈置成不同場景，供學生角色扮演及運用英語對話。除了診所、電影院、糖果店和文具店外，今年更增設機場、咖啡館和便利店供學生體驗。這讓學生在模擬場景活用英語表達，例如購買機票、在電影院觀看電影或看醫生描述疾病。每位英語大使都穿上工作服，扮演不同的角色，通過英語交流為同學們提供真實的學習體驗，這讓英語體驗日既有趣又有教育意義！
